

AMERICA'S BEST ELECTRICMART, INC.

HARNESSING THE POWER OF SUPPLY.

America's Best Electricmart (ABE) is a provider of electrical and electrical utility solutions. ABE stocks electrical and utility material, provides electric motor repair services, training, and other electrical and utility services. ABE serves the islands of the Pacific, including Guam, the Commonwealth of the Northern Marianas (CNMI), The Marshalls, American Samoa, Palau, The Federated States of Micronesia, and both domestic and overseas projects requiring materials that meet US standards. ABE provides a complete inventory of electrical materials at competitive prices and also provides superior service in obtaining special order and project materials.

Brief History of ABE:

America's Best Electricmart, Inc. was founded in November of 2001 and first opened its doors for business in March of 2002. The principal owners of ABE are individuals with over 70 years of electrical sales, purchasing, and back office experience on Guam.

Goals / Vision:

America's Best Electricmart goals are as follows:

- Deliver quality products and services to our customers and contribute to helping our customers fulfill their missions.
- Provide a reliable source of materials to customers in Micronesia, the Marshall Islands, and American Samoa.
