CORE COMPETENCIES:

America's Best Electricmart (ABE) is an electrical/utility material distributor, an electrical contractor, and provider of electric motor repair services.

- Competitive prices on US Made electrical and utility equipment and materials
- Timely delivery of equipment and materials
- Overseas ocean-freight and air-freight shipping
- Leveraging relationships with industry leading manufacturers to provide our clients with superior product choices.

WHAT MAKES US DIFFERENT

- ABE is a stocking electrical material distributor located in Guam, USA. We know the challenges of building and maintaining facilities located in remote locations.
- ABE has been in business since 2001. We've built expertise and experience in understanding the role of having equipment and material at the jobsite on a timely basis.
- ABE is committed to the support of US overseas projects and facilities.
- ABE continues to develop relationships with leading utility and electrical manufacturers.
